Preparing for Spring

Join garden designer Joanna Brinkman, graduate of the English Gardening School based at The Chelsea Physic Garden, RHS Silver Gilt Medalist for the Long Border at RHS Chatsworth 2019.

Jo will guide us through the preparation of our gardens for spring, encouraging an understanding of the character and needs of our own outdoor spaces. Explore the creative use of bulbs, both within garden borders and in containers, while also considering the important role of biodiversity in creating healthy, resilient and flourishing gardens.

THURSDAY 15TH OCTOBER

Doors at 7:30pm for talk at 8pm
